Six Senses Zil Pasyon

Occupying less than a third of the total island, Six Senses Zil Pasyon is the sole resort on Félicité, with a design almost indistinguishable from the natural drama of an unspoiled island. It is built from rough granite, embodying the ethos of stealth architecture. Completed in 2018 and set high above the Six Senses resort and spa, this jewel is quite disconnected, unlike anywhere in the world. Seeing is believing. Experiencing is loving.
