# Villa Anja

This luxurious Saint Tropez villa is a perfect spot for guests looking to get away with modernity, space and stunning views. Artfully decorated and fully air conditioned throughout, Villa Anja is a palatial paradise, a romantic retreat for two, or a getaway spot for up to 16 guests.

With its large bay windows and imposing terraces overlooking the gulf, old stones, glass railings and a Japanese garden, villa Anja offers an elegant blend of designer architecture and authentic charm. Inside, the contemporary decoration is punctuated with old objects from all over the world.
