# Tranquility

Tranquility is an outstanding 91.5m superyacht built by the prestigious Dutch shipyard Oceanco. Tranquility was built with the finest aesthetics and to the highest technical standards and testament to this on its launch was awarded 'Yacht of the Year' at the World Superyacht Awards.

Tranquility is an ocean-crossing world explorer yacht with impressive capabilities. Built to Ice Class, there is nowhere on earth it cannot go. A beautiful combination of wenge wood, bamboo, marble and gold leaf create an Asian-inspired theme throughout TRANQUILITY's interior. Tranquility benefits from some excellent features to improve your charter, particularly a 20m squared pool on her deck with jets, a private hot tub outside the master suite and a beach club. An indoor-outdoor wellness area includes a sauna, hammam, plunge pool and beauty salon. Experiential showers are also available on board as well as a helipad on her upper deck.

Onboard Tranquility has a range of toys as Jet Skis, WaveRunners, towable toys and 3 Tenders.

Showcasing meticulous craftsmanship coupled with high-end luxurious finishes, expedition yacht Tranquility promising truly unforgettable yacht charters for even the most discerning guests.
