Boeing BBJ (3 vip airliner)

Based on two well-regarded jets, BBJ and the 737-900ER airliner, the Boeing Business Jet 3 boasts several improved features ranging from an ultra-long range allowing direct flights of up to 10,066 kilometres, 89 per cent more luggage space than its predecessor, BBJ2, and a comfortable 341 sq. m. of floor space, capable of accommodating 8 to 50 passengers in the utmost luxury. In addition to different seating configurations, its interior layout offers several options for business and relaxation areas, such as an executive office, a luxurious cabin, separate meeting rooms, a primary suite and additional sleeping areas, a large bathroom with shower, a sumptuous living room with dining room, as well as lounges and common areas equipped with entertainment systems.
